

It is with great sorrow that I bring you all this news;

As many of you may have heard about the unfortunate plane crash in Watsonville last Thursday evening, it was confirmed on Friday afternoon that it was the Houghton family of Soquel 4-H.

The Houghton's (David, DeDe, Luke and Ryan) were an active family in the Soquel 4-H Club and attended 4-H Summer Camp regularly.

The Houghton's were an active and involved family in the Santa Cruz County Community and the 4-H community. The focus for DeDe and David was always their family, community and living life to the fullest.

David, DeDe and their two boys Ryan and Luke participated in the Soquel 4-H club assisted with projects and attended 4-H summer camp every year. They were people that always greeted you with a smile and a nice greeting no matter what was going on. The boys were happy, fun and smart kids that enjoyed many of our 4-H activities.

Please pass this message on to other members in your club. If you or members of your club would like to attend the memorial services for the family, Services will be **THIS Saturday, July 16th, 10am at Twin Lakes church in Aptos** (2701 Cabrillo College Drive). Please wear a clover in their honor and feel free to contact me with any questions, sfontana@ucdavis.edu or 763-8015

With kind regards,
Stephanie
